

DEXARTE DISPLAY ITS RANGE AT ACETECH; PARALLEL ORGANISES 'BUSINESS CONGREGATION 2018' IN MUMBAI

EVENT WATCH

216

Dexarte showcased their range of products including their flagship product premium PVC laminates at ACETech Mumbai held on November 15-18, 2018. The showcase at the exhibition received overwhelming response of their finest expression of laminates with other exclusive offerings. The dealers and distributors appreciated their product range, designs and colour collection along with various other products which included: DuroArte decorative panels which cast a spell with its alluring beauty. These panels are made of mixture of high level standard Polystyrene and Charcoal. Especially their new copy right protected designs in laminates and charcoal panels received rave reviews. They also showcased Dexarte Premium high gloss laminates, Velvetto, Ecolam. The highlight of the display has been their latest launch Dexarte Dexiglass Crystal which also received overwhelming response.

Parallel to showcasing at the exhibition the company has also organised a distributors' meet "The Business

Mr Narendra Jain

Congregation 2018" at Hotel JW Marriott in Mumbai on November 17, 2018 where nearly 110 guests which included distributors and dealers as well as interior designers/architects graced the occasion with their able presence. The programme started with welcome speech by Mr Narendra Jain followed by felicitation programme
